

Chess4Europe - Your partner in Erasmus Plus projects

Chess4Europe is an NGO that was established as the main partner of the European Chess Union in the area of development projects. In 2017 it was running the Erasmus Plus project Let us find the way to each other for Albanian and Slovak chess kids. In 2018 it starts the ECU initiative Smart Kids that has the ambition to become the biggest global chess event.

Chess4Europe is looking for reliable and flexible partners for submitting Erasmus Plus projects proposals also this year. In order to produce a project ideas pipeline please send your project idea, Participant Identification Code, a short description of your organisation and a contact person to martin.huba@ibsslovakia.sk.

This year we plan among others submit projects related to work with youth especially to build our Smart Kids family.

Practical advices for our potential partners

1) E-forms and practical information are available on:

http://eacea.ec.europa.eu/erasmus-plus/funding_en

Filter with "SPORT"

Please consult the **programme guide** which contains all the information about the actions financed by Erasmus Plus:

http://ec.europa.eu/programmes/erasmus-plus/documents/erasmus-plus-programme-guide_en.pdf

See pages 222 and next.

2) It is advised to read in particular the document "Applicant guidelines" which is a step by step method for filling the application package:

https://eacea.ec.europa.eu/sites/eacea-site/files/guidlines_for_applicants_2016_2_0.pdf

There is also a FAQ with the main questions and answers:

https://eacea.ec.europa.eu/sites/eacea-site/files/faq_2016_5.pdf

3) IN PRACTICAL TERMS easy to register and contact Chess4Europe

To participate in proposals and projects, each applicant (and partner) **must register first in a central Participant's Portal which can be found at the following page:**

<http://ec.europa.eu/education/participants/portal/desktop/en/organisations/register.html> Once you have this “Participant Identification Code” (PIC) number you can go on with the online forms.

Please register already now you only have to do this once for your organisation.

A FAQ about registration is available:

<http://ec.europa.eu/education/participants/portal/desktop/en/support/faq.html>

Cooperate with Chess4Europe, the organisation of the European Chess Union!

Martin Huba

President of Chess4Europe
