

## Information for participants:

On behalf of the organizers I would like to wish you chess successes at the EU Championship 2022 and also a pleasant stay in Pec pod Sněžkou. Before tournament start, I would like to write organizer's information for you.

All participants have to be present at the reception. The reception will give you the apartment cards, **an identification armband** and meal vouchers for each participant.

**Please check your vouchers for completeness.**

Each participant's meal vouchers are marked with the meal they have ordered.

Meal vouchers are non-transferable. Don't lose your meal vouchers.

If anyone needs to cancel their participation in MEU, please notify the MEU Director by email. Head of delegation and accompanying people will **check the start lists for the correctness of their players' details.**

Accompanying people will have access to the playing halls first 10 minutes after round starts. During this time is possible to take photographs. After that they will have to leave the playing hall.

You can watch the games online. We have arranged for all games to be played on the on-line chess boards. The online broadcast will be delayed by 15 minutes.

Online transmission and bulletin after each round will be published on the championship website:

<https://www.chess.cz/mistrovstvi-evropske-unie/>

Other information will be published on the notice boards on an ongoing basis.

Invoices will be issued by the tournament director in the second half of the tournament. The invoices must correspond with your payments and are issued according to the advance invoices that have been sent to you.

Players will be given a jersey with the MEU logo as a gift. Players who did not send a shirt size must send as soon as possible.

The basic prerequisite to get trophies, medals and prizes is personal attendance at the closing ceremony.

Head of delegation and accompanying person are fully responsible for his/her players/children. Only accredited participants with a registration armband are allowed access to the hotel and the playing hall.
